RE: Copies of Public Comment Regarding the Proposed Plan

Dear Ms. Fliss,

Enclosed are copies of all the comments I have received to date. As you see we do not have any comments from any of the PRPs as that deadline has been extended until July 15, 2003. I have also included a list of PRPs for this site for your records. The list is in the process of being updated, I will forward you the updated list as soon as it is available. Go ahead and make any comments to the comments. My goal is to start addressing these ASAP. I hope to get you a copy of the draft ROD amendment soon.

If you have any questions or need additional information, please do not hesitate to ask.

Sincerely,

Gwen Massenburg
